

EU RAPEX STATISTICS

QUARTER 2, 2018

Summary

The European Rapid Information System (RAPEX) is a platform for exchange of information between 31 participating countries (the 28 Member States in the European Union plus Iceland, Liechtenstein and Norway) and the European Commission on measures and action taken in relation to products posing a serious risk to the human health and environment safety. The system covers dangerous non-food products intended for consumers as well as professionals.

In Quarter 2 2018, the number of product recalls for all 4 categories (Toys, Softlines, Hardlines and Electrical Products) have decreased as compared to previous quarter.
